Mini-Map Contest Results

The **Powersuit Mini-map Community Contest** is done and our community of judges have a unanimous winner! The overall winning submission is "**Scandal Night**" by **Segfault**. Full critique from the judges can be found [archived on our Discord server](#).

Congratulations to everyone who took part, and special thanks to our moderator SCOREGOBLIN for both organizing it and helping new mappers out. You can play their submissions by following the readme file in this [zipped file](#). Please note that this requires the modkit tools which are available for free on [Steam](#) and [GOG](#), or you can [download it directly here](#) from our site.

Brigador Review by MandaloreGaming

We have been absolutely floored by both the excellent video by MandaloreGaming on YouTube and the response to it across social media. You can watch it below.

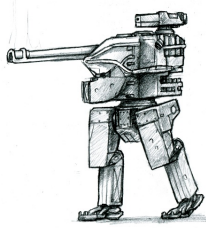

We're On Break

The past month has been an extremely busy one for the team, so we'll be taking some much-needed time off for the next couple of weeks. We hope you take the opportunity to rest as well. However, before we sign off...

Community Spotlight

Kiri has drawn a wonderful sketch of a Touro...

Inspired by Mandalore's video, Zelis created this image of Mandalore and Hugh from his 2017 GDC talk...

Lastly, both Loki and thedanyourmancouldsmelllike have been flexing their modding muscles, showing off what you can do with changing audio and weapon behavior. [Click here to see them in action.](#)

Many more community creations can be seen in the #becks_best channel on our Discord.

Next Month

In July's newsletter we'll *actually* share some production stories this time around, as well as more community content.
