## Streaming with Benjamin

Tune in to our Discord **every Monday and Friday at 20:00 CEST** (12:00 PT/15:00 ET) if you wish to catch Benjamin's twice-weekly streams. Currently we are going through the campaign of **Binary Domain**, which is an overlooked 2012 title by the developers of the Yakuza series, so come hang out and chat!

# Necromunda Season One Wrapping Up

Our community moderator **Commander** who started a Necromunda campaign all the way back in August is about to close off Season One. The fourth and final round will end on **November 2nd**. As of the last battle report, **MikeMurdock's** gang has the highest rating out of the seven remaining gangs, with three others already being able to successfully retire. Commander is looking forward to Season Two after a brief break, and all newcomers will be welcome. In case you didn't catch them, check out the [two dozen maps](#) the community has made over in the Steam workshop!

## Community Spotlight

Newcomer to the community **glwzbll** made a great synth tribute track titled [Solo Nobre Must Fall](#) over on their soundcloud. We asked Makeup And Vanity Set what they thought and the response was...

Long time member, **ceriseCisilipp**, has given us a take on Hey Arthur's "You've Got To Be Kidding"...

It's also been long enough that we can officially devote most of this section to **FlyingDebris'** recent Brigador-inspired contributions...

...Lastly, **Dapper Platypus** has *probably* been playing Among Us.

As ever, this is only a handful of the many posts that end up in our becks\_best channel every month. You can see much more over on Discord.
