Here's A List Of Things That Inspired Brigador

In addition to our BK dev post, we've also put up a short article on the numerous inspirations behind Brigador: Up-Armored Edition. It's not a full list of every single artist, video game or piece of media that influenced the first game, but we'll definitely do another for BK considering the response this post has already gotten.

Tangential, our first game is also on sale until Monday October 3rd 2022 at the usual discount of 55% off. Tell a friend?

The seven question-long survey that ran from mid-July to September wrapped up this month. We learned a lot from it, and once again thank you to everyone that took part. The results can be seen in the #survey-results channel in the archive section of our Discord server.
