

## STELLAR JOCKEYS NOVEMBER NEWSLETTER

Welcome to your monthly Stellar Jockeys newsletter for November 2022. We have another two posts up on Steam both for Brigador and Brigador Killers, and a December merch sale.

Benjamin, Stellar Jockeys

### Aim Glide In Brigador Killers (feat. Dave)

This month's post on Brigador Killers' development is a direct sequel to last month's post. There's another round of video footage of new props but more importantly we show off and explain the "aim glide" movement that we plan to add to make infantry-scale combat a lot smoother. Also, Dave (Illustration by [Brad Buckmaster](#)).

### Localizing Brigador: Explained

For those who have ever wondered how Brigador's text managed to get translated into eleven different languages - an explainer is finally here.

Read on for a technical breakdown, and amusing anecdotes from our translators.

## Community Spotlight

November seems to have put folk in an arts and crafts mood. First up, Turbz with an oil on canvas spacer self portrait...

...King Slav printed and painted a spacer Brünhilde and some Seekers...

...themerchantofbenis blew us away with their painted prints of a Mongoose and a Touro...

...Oh, no, Juntti - I don't think Norman understood what "pacification" meant in his SNC contract.

Feel free to check out several more images that have graced the #becks\_best channel this past month over on our Discord chat server.

# Next Month

December will be a short one for us, so the newsletter will come early - though we intend to leave you with an end of year gift.
