

STELLAR JOCKEYS JULY NEWSLETTER

Welcome to the Stellar Jockeys July Newsletter. Each month you will find out what we've been up to, where we're at with our projects, and a round up of community submissions.

LIVE: Community Reinforcements Update

We've updated Brigador with new campaign maps and freelance runs, new lore, Korean language support, and our mod kit tools come as an optional download on Steam.

The update is available on all versions of [Brigador: Up Armored Edition](#) on [Steam](#), [GOG](#), and [Itch.io](#).

Merch Store Ready To Take Orders

Come See Us at PAX West 2019

We'll be in Seattle on August 30th - September 2nd with demos and new merch items. Follow our [studio twitter account](#) for more info.

Comic Panels in Brigador Killers

Last month we introduced [Simon Roy](#), who is helping us flesh out the campaign for our sequel to Brigador, [Brigador Killers](#). Here's a sample of his work.

This is just a snippet, of course. If you want to see what happens next, or missed last month's sequel announcement, you can [wishlist Brigador Killers over on Steam](#) right now.

What We're Up To

On top of working on the Brigador Killers script, Karl has been writing an interactive short story connecting Brigador and Brigador Killers. Jack has been drafting new t-shirts designs, and Hugh has been sorting out PAX West logistics.

Community Spotlight

Discord user Segfault is heading to Otakon 2019 as a Corvid (see more images in [this imgur album](#)).

Many more community submissions can be found in the [#becks_best](#) channel on [our Discord server](#).
