

## STELLAR JOCKEYS JULY NEWSLETTER

Welcome back to your monthly Stellar Jockeys newsletter for July 2023. Last month was hectic especially on the merch front, and long-time newsletter readers will likely recognize this month's BK Dev post.

1/144 Scale Mini —  
Canmore

\$27.50 ~~\$32.50~~

First off, thank you to everyone that bought minis following last month's announcement - we truly were not expecting the response and have had to spend a significant amount of time dealing with several hundred delayed orders. By the time this email reaches your inbox, we should have a buffer of stock to deal with any increased demand.

On that point, the introductory five-bucks-off pricing period ends later today Monday July 31st 2023. Please note that you'll still be able to get the 15 USD discount off your order when you add all three to your cart even after this price change.

If you have any problems or issues, feel free to reply to this email or contact [team@stellarjockeys.com](mailto:team@stellarjockeys.com) and be sure to include your four-digit order code.

# Brigador Killers: Trip Down Memory Lane

This month's Brigador Killers development post is a slight reiteration of a newsletter from March 2022, though you may have missed it at the time. The topic is "Reimagining The Spacers" and will run you through how our artist Jack takes an idea for a new spacer powersuit from the concept stage through to final render. Please enjoy the desktop wallpaper-friendly images included in the post.
