Brigador Killers: Map Connections

MAP COLLECTIONS

One of the new features for Brigador Killers is the ability for players to transition between different maps without going through menus like in Brigador's Campaign or Freelance mode. As always, there's a news post attached explaining what you're seeing.

Community Spotlight

Just a couple of images for this month. First up is Pariah Kill Team Leader Zhe by Brad Buckmaster, who features heavily in the upcoming Brigador Killers: Pilgrim novel that is also written by Brad.

...and closing us out for this month is a fantastic rendition of the Corvid Eightball by Shoho.

Click both to view them in full screen in their original resolutions. As ever, more posts like these can be found in the #becks_best channel of our discord server.
