Olive Drab Everything Painting Contest

OLIVE DRAB EVERYTHING

We are currently holding the Olive Drab Everything miniature painting contest on our [discord server](#). Painted minis do not need to be official Stellar Jockeys pewter figurines – if you have kitbashed a Brigador vehicle of your own, or 3D printed a Touro you are eligible. Winners will get to choose one of the new sets of minis that are coming to our merch store later next month. The contest will be taking submissions until approximately 23:00 PST on Monday October 9 2023. Please check the pinned message in the #olive-drab-everything channel for the full details.
