Merch discounts inbound for December

Instead of a discount code like in previous years, later in December we'll be **reducing the prices of all our items** for about a month to celebrate the holidays. We'll announce via our Discord server and social media when the price drops are live.

Community Spotlight

Only a handful of images this month. **Flyingdebris** depicted Cephei at an Ed's not having a particularly good time with Beck (click for original size)...

Our in-house spincaster **themerchantofbenis** took an albinauric from Elden Ring and dressed them up as a loyalist...

And **+C** rified on an infamous tweet by a particular streamer.

Many more community creations can be seen in the **#becks_best** channel of our Discord.

Next Month

December's newsletter will arrive earlier than usual and we'll review the past twelve months of development on Brigador Killers.
