BK Dev: How the carmine suit is unlocked

This month's **Brigador Killers** post provides an explainer on how the unlocks system works in the Secret Alpha build that a few of you have played already. Modders in our audience may be interested in learning more.

Community Spotlight

The upside of our brief March hiatus means that there's a #becks_best backlog to go through. **MikeMurdock** redrew *Akakichi no Eleven* but with Cephei and Marvin onboarding a loyalist...

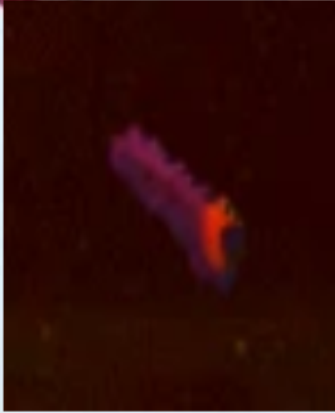

RifleInfantry provided an excellent cross-section of Froggy...

rs24 reminded us that if you can't describe your gun in three words...

IF YOU CAN'T DESCRIBE YOUR **gun** IN 3 WORDS

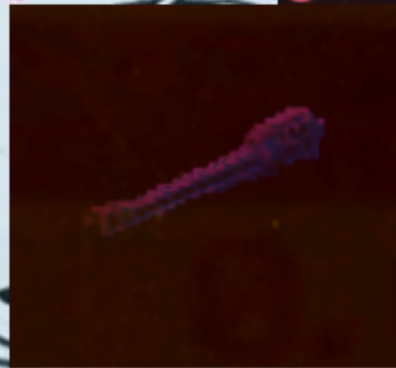

X BULLSHIT **gun**

I'M a tool for mining and excavation,

I'M an ingenious creation of a ballistic weapon

X BULLSHIT **gun**

If unsure what you're up against, your man.

I'M It's a shotgun.

Newsletter regular **Lowkek** continued the tradition of anthropomorphized Touros...

Bennet made some adjustments to their pewter mini and 3D printed out a little guy to make the Fork punt a reality...

While **BanzaiBonsai** gave their Touro some Corvid livery ...

Lastly, who else but **Juntti** could combine Norman Osberger and Garfield with such ease?

Sadly there's a cap on how much we can fit into a single newsletter. Worry not: the [#becks_best](#) channel on our Discord contains many more submissions.

Next Month

Last month involved a lot of staff members travelling. We're much more settled now and expect to drop an update to the Brigador Killers build on itch.io. Stay tuned.
