Controller Survey

We are running a very short survey on the exact make and model of controller you use to play on your computer. We particularly want to hear from those who played Brigador on controller. Participation in this survey is anonymous, but at the end you can submit your email address to be entered into a raffle to win something from our merchandise store. You will only be emailed if you win. **This survey will run until October 31st 2024.**

Community Spotlight

Our community fan art channel **#becks_best** has been fairly quiet, but not *too* quiet. Long-time server member **a_tyrannosaurus_rex** commissioned an SNC logo...

...and over on Reddit user **Kraven Blacktail** [combined Makeup And Vanity Set with Team Fortress 2](#).

All of the previous becks best creations can be browsed on our Discord server.
