## Community Spotlight..?

Since this newsletter's arrived sooner than usual, we've not had any recent additions to #becks\_best. Instead, we'll take this as an opportunity to inform you that we're on **Bluesky** nowadays and are much more active there than we might be on other social media.

Follow us on Bluesky

Our Discord server is where we are most active, however. Every weekend you'll usually find a game and movie night ran by our community moderators, along with an increasingly-vibrant tabletop community playing **Firelock 198X**, which we first mentioned back in [July's newsletter](#).

## Next Year

Stellar Jockeys is on break until **January 13 2025**. Happy holidays and see you in the new year.
