

STELLAR JOCKEYS MARCH 2025 NEWSLETTER

Welcome to your Stellar Jockeys newsletter for March 2025. In case you missed it, the next audiobook in the Brigador universe was released earlier this month.

Benjamin, Stellar Jockeys

Brigador Killers: Pilgrim Available Now

Available on Itch.io right now is the next audiobook in the Brigador universe titled **Brigador Killers: Pilgrim**. Both Brad Buckmaster and Ryan Cooper return as writer and narrator respectively and this book takes place both before the events of our next game and is a direct sequel to the first book. You can listen to the first half entirely for free on the Itch page, and if you buy it now, later down the line you will also be given a DLC upgrade key for

both the audiobook **and** the soundtracks by Makeup And Vanity Set for Brigador Killers on Steam.

[Get the audiobook](#)

For our end of month post, we've put together some of the community's reactions as well as a few details about how the audiobook was recorded.

Reminder: merch store price increases

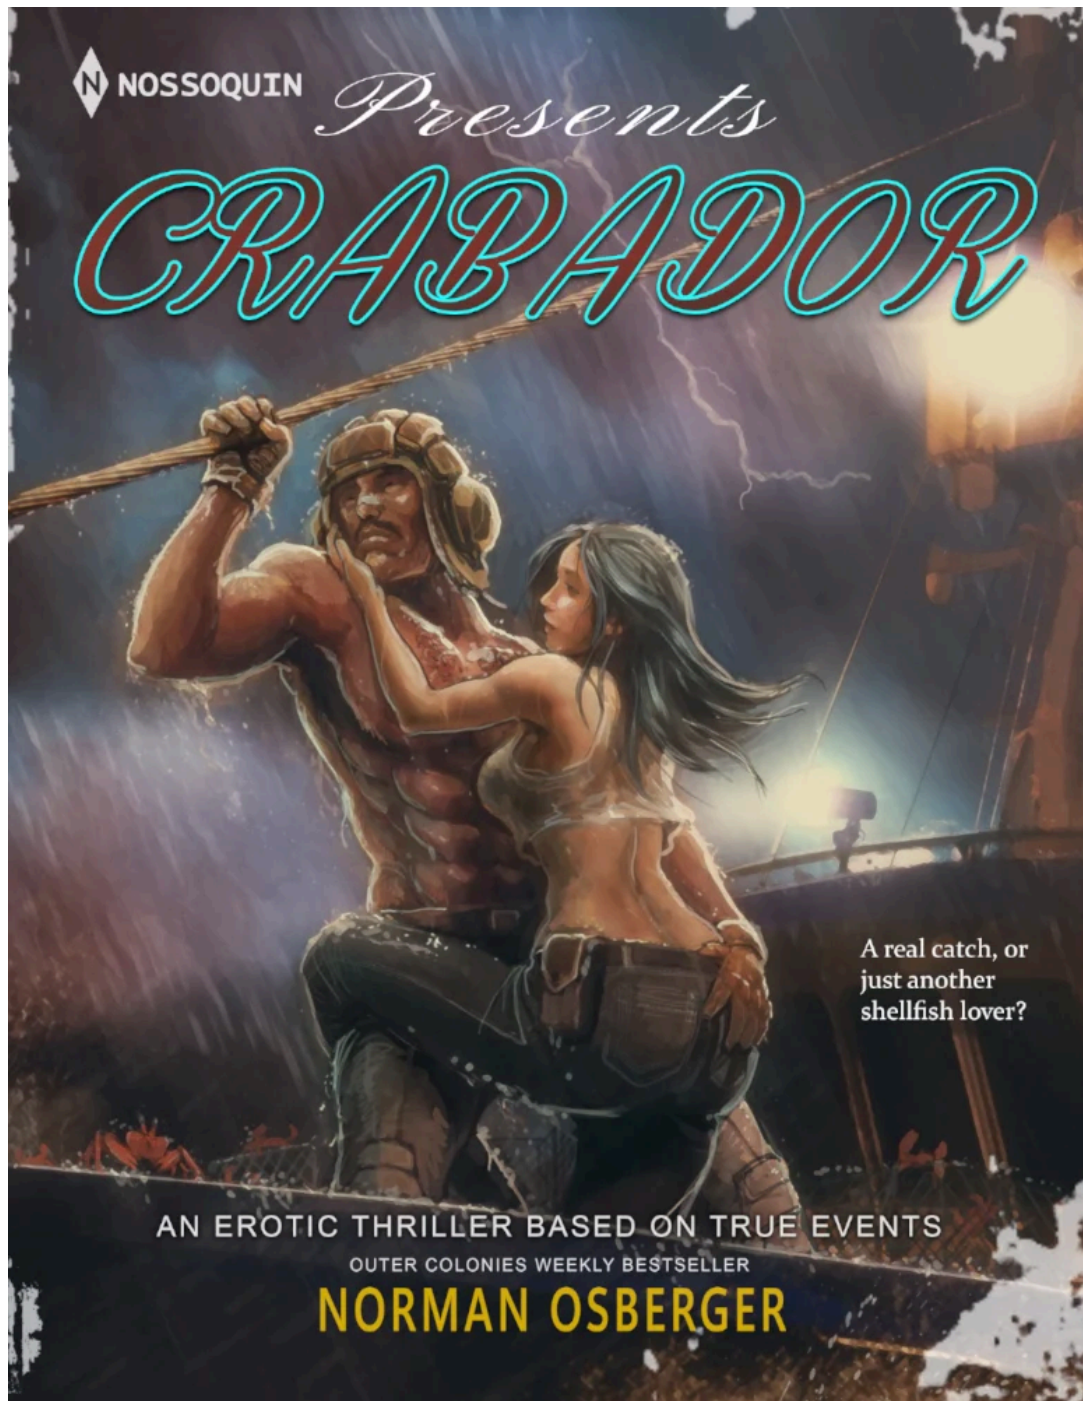

As mentioned last month, the shipping prices from the US to all available destinations are going to increase after **March 31st 2025**. Shipping rates are calculated at checkout on the store so you can always see the shipping cost in advance of payment.

If you have *any* questions about merch orders, please email us at team@stellarjockeys.com.

Community Spotlight

It was a busy month for the **#becks_best** channel. Not content with doing the cover of the audiobook, **Flyingdebris** turned their attention to the infiction Harlequin-inspired romance novel within...

...bloodylilzi doodled their own take on the Ed's mascots Ribby and Shake...

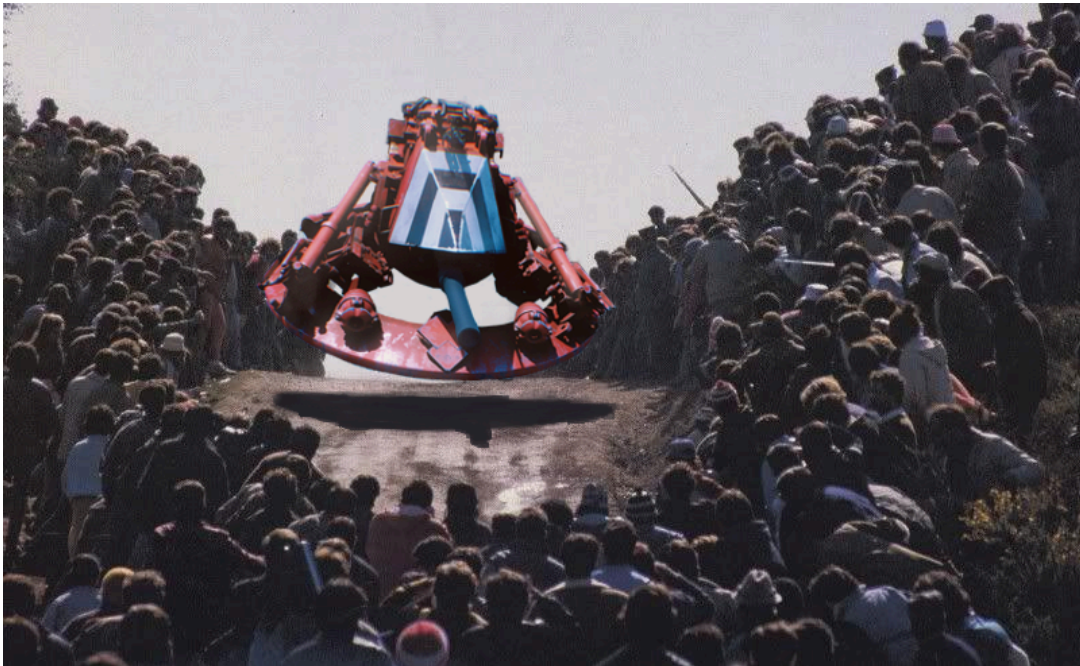

...server newcomer **BasicallyClueless** commissioned KaitoKaze to make them a loyalist Citadel...

...In #design_bureau, **dfgrews** imagined the mARLOboro...

...and it's not a community spotlight without **Junnti**.

Far too many posts ended up in #becks_best this past month, so we suggest you go and browse the channel on our Discord server.

Next Month

Our plans to bring a demo to Steam Next Fest in June continue apace. Stay tuned for more.
