### Updating our Steam Next Fest appearance

This month's post is about how we are changing our previously-stated plan to appear in June's Steam Next Fest. Details on this, along with a few screenshots of what we've been working on for Brigador Killers, are in the post linked below.

## Our first game is on sale

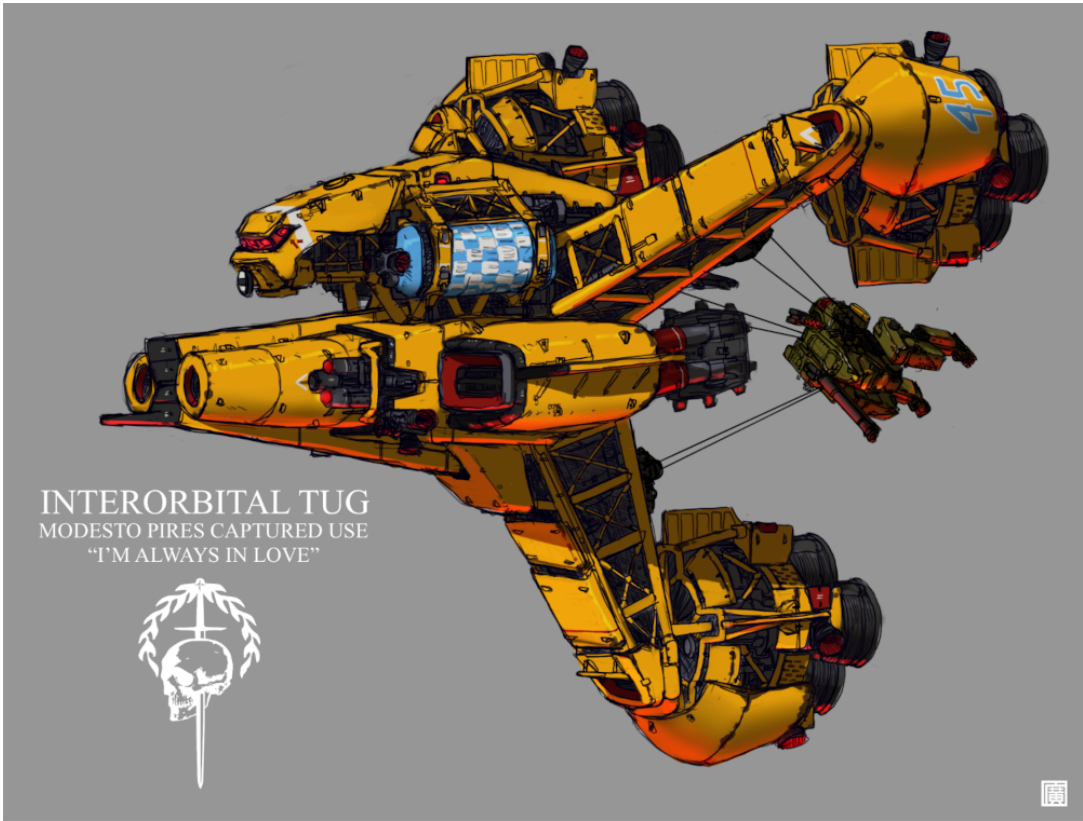

Brigador: Up-Armored Edition is going cheap on Steam until **May 5th 2025**. If you would like to support our work, please consider telling a friend.

## Community Spotlight

April was quiet in the **#becks\_best** channel. Long-time server member **The Captain** sketched the orbital tug from Brigador that hauls Modesto Pires' Touro off Solo Nobre...

...and **ArtsMoser** showed the Betushka some love on social media.

If you didn't know, the #becks\_best backlog on our Discord stretches back almost seven years. Consider browsing it at your leisure.

## Next Month

In May we'll be working on updating the Itch build. Stay tuned for more.
