BK Dev: Gun beauty renders + Lore

Along with the beauty renders of your inventory items, Brigador Killers plans to continue the tradition of Brigador's lore entries. In this month's devlog you can check out HD versions of a few weapons from the recent Combat Build, along with some words from MB himself.

Community Spotlight

The #becks_best channel is typically slow during the summer months, but that didn't stop **Flyingdebris** from riffing on the "Homer Badman" episode of The Simpsons...

While, **jasonderulo_** got themselves an SNC tattoo.

Next Month

We're working towards another update to the Itch build which will be adding a couple of new maps and new weapon sprites, as well as all the beauty renders you just saw in this post.
