

STELLAR JOCKEYS SEPTEMBER NEWSLETTER

Welcome to your Stellar Jockeys newsletter for September 2025. Work continues unabated on Brigador Killers.

BK Dev: Weapon and Ammo Pickups

To cap off the previous two posts about beauty renders and weapon lore entries, this month's post takes a look at how the sprites will look on the ground in-game. We also include a short update on our plans for a Brigador Killers demo.

Community Spotlight

Stellar Jockeys' hall of fame channel **#becks_best** saw a few more hands-on posts. First, [u/Blueshiftbuilds on reddit](#) modelled the Fatshoe in LEGO...

Not to be outdone, **Monolith** modeled the spacer Sleepwalker mech in LEGO and included a minifig for scale.

Back over on the Brigador subreddit, **Banzai_Bonsai** showed off their [painted powersuits LOST KNIGHT and SWAMP THING](#).

Most community spotlights would not be complete without a post from one of our regulars. Fortunately, **Flyingdebris** was kind enough to riff on "Scott Pilgrim's Precious Little Life Vol. 1" with the following.

Next Month

Though we will be skipping Steam Next Fest in October, this won't stop us from putting a Brigador Killers demo out, but our priority remains updating the [Itch build](#) first.
