BK OST - To The Ground

As mentioned previously, we're putting up a Makeup and Vanity Set track from the Brigador Killers soundtrack to our YouTube at the end of every month. This time it's "To The Ground" which is the track heard in the introductory junkyard level in the Garage Build.

New Brigador pewter minis now available

Four new pewter miniature packs have been added to the Stellar Jockeys merchandise store. They are:

- [Spacer mech "Zöllig"](#)
- [Spacer light mech "Sleepwalker"](#)
- [Corvid light mech "Eightball"](#)
- [Corvid light tank "Party Van"](#)

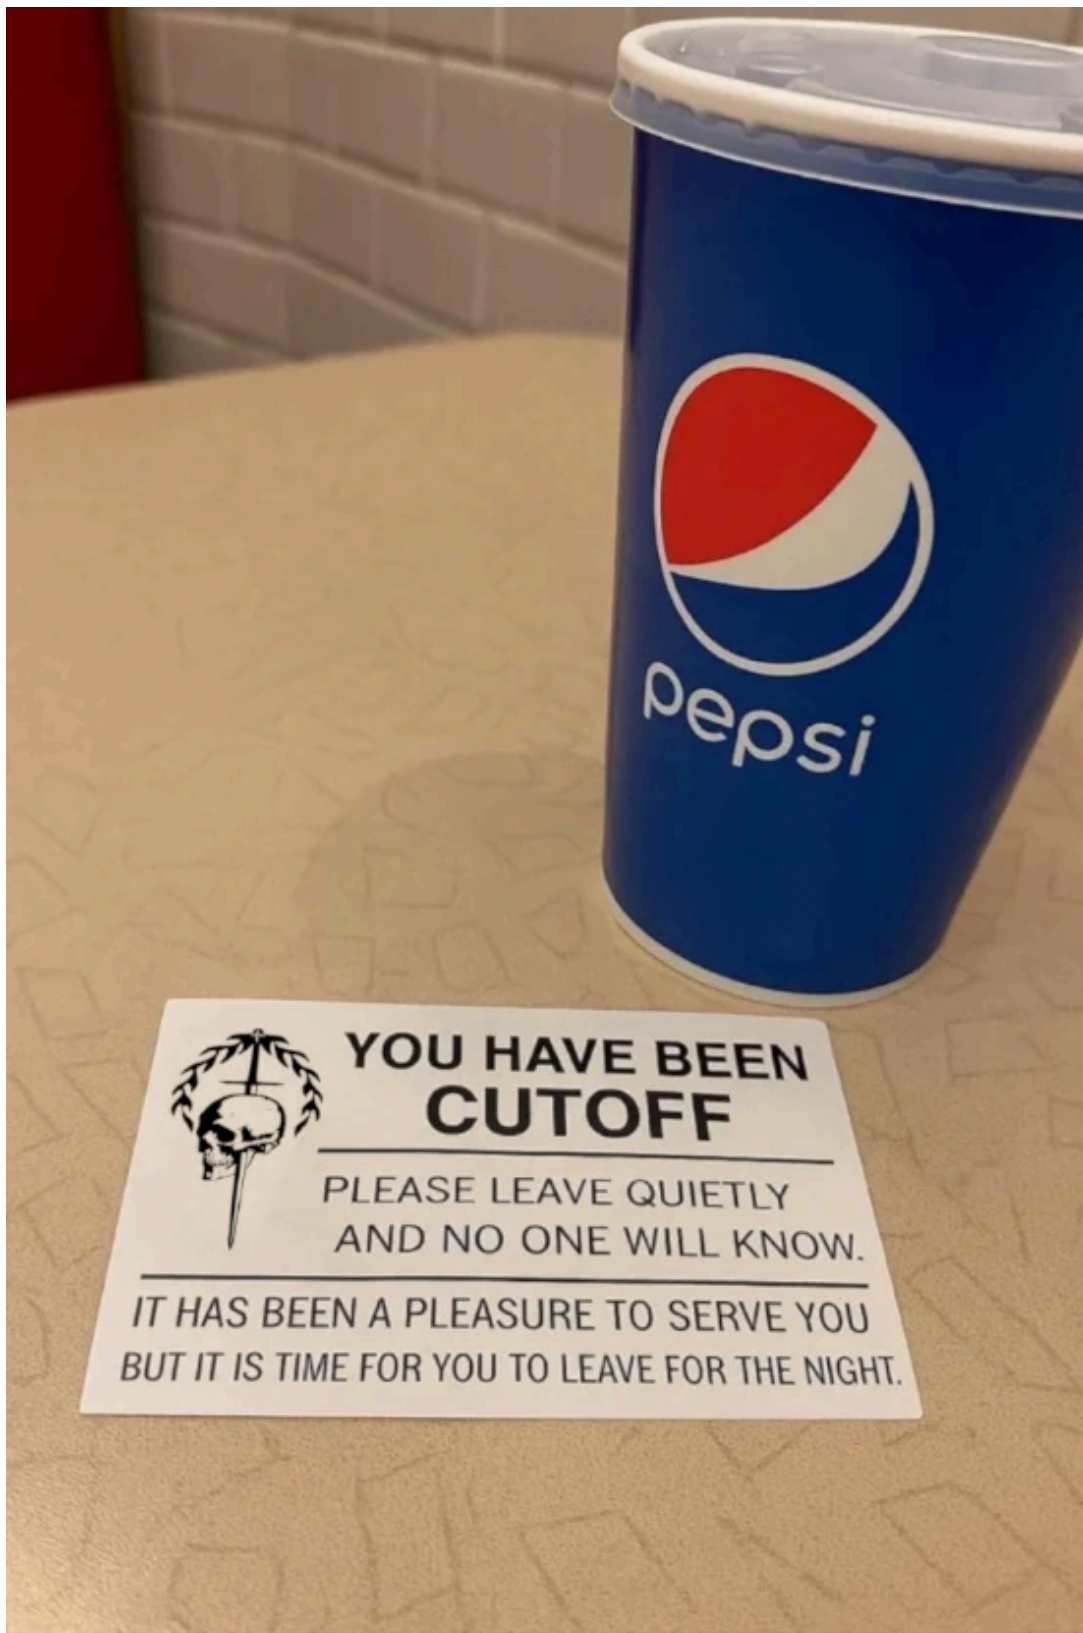

Prices vary across each pack due to the different amounts of pewter and labor required. Add any three miniatures to your cart and you will get 15 USD off per trio.

A detailed writeup on all the models - including images, assembly diagrams and store page-specific lore - can be seen in this news post.
