

STELLAR JOCKEYS AUGUST NEWSLETTER

Welcome to your Stellar Jockeys newsletter for August 2026. We are one week on from the Early Access release of Brigador Killers.

Benjamin, Stellar Jockeys

BK Dev: Responding to Early Access Feedback

Over on Steam is long read in response to the recent reviews, comments and other reception the Early Access version of Brigador Killers has received this past week. The short version is not only do we hear you, but we are also pretty confident that we will be able to meet all the criticism in a way that satisfies our design goals and player expectations.

BK OST - Authentication

August's Makeup and Vanity Set track from the Brigador Killers OST is "Authentication", which is heard in the Chop Shop mission. The soundtrack is also available on:

- [Bandcamp](#)
- [Spotify](#)
- [Apple Music](#)

Coming Next

As in the news post we will be hotfixing the Early Access version of Brigador Killers sometime next week, and we are looking to do a content update at the end of September.
